

Data protection – 19th Appleton Space Conference

Please complete the information to register for our event. At STFC (being a Council under, and part of, United Kingdom Research and Innovation), it is our mission to work with our partners to ensure that world-leading research and innovation continues to grow and flourish in the UK. Integral to this is our commitment to protecting and safeguarding your data privacy.

If you are happy for STFC to send you information about this event and for STFC to hold your data for this purpose, please tick the box below. The data you input will be deleted by 31 August 2025.

The data will be downloaded, anonymised, and stored on STFC's secure servers. The data will be used to report to the UK Government and within STFC and UKRI. Our privacy policy can be found at <https://www.ukri.org/privacy-notice>

UKRI and STFC RAL Space comply with the requirements of the GDPR with regards to the collection, storage, processing, and disclosure of personal information and is committed to upholding the GDPR's core data protection principles. A full notice of UKRI's position with regards to Freedom of Information and the General Data Protection Regulations (GDPR) (EU) (2016/679) can be found at <https://www.ukri.org/freedom-of-information>

STFC RAL Space uses Eventbrite to manage registration to our webinars. Eventbrite is a US company and all information you submit here may be stored on US servers. STFC RAL Space will only use your personal details for the purpose of contacting you about the event for which you are registering, but the US have different data protection laws under which this data is stored. We suggest that where possible a work email address is used. Please also ensure that, for as long as you are happy to receive communications from us, you notify us if your information needs to be updated. If you have any questions, please email ralspace-events@stfc.ac.uk

STFC EDI Events statement

STFC is committed to making all of its meetings and events productive and enjoyable for everyone, regardless of gender, gender identity and expression, sexual orientation, disability, race, nationality, age or religion.
